As the Principal of the Institute, I feel honoured and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff. It gives me immense pleasure that institute has been able to publish 4th issue of the quarterly newsletter 'AVIRAL'

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education".

Swami Vivekanand said "We want education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet"

At last but not the least, the editorial team has put tremendous efforts in preparing the contents of the 4th issue of newsletter. I personally congratulate the entire team.

Best Wishes,  
Vinod Dobhal  
Principal

## EVEN SEMESTER EXAMINATION RESULT

1st POSITION  
HOLDER

**SAKET BHANDARI**  
84.5%  
3RD YEAR

**BHUPENDRA BISHT**  
82.8%  
2ND YEAR

## INSPECTION BY DIRECTOR SIR

On 17th May 2023 Director sir Shri R.P. Guptaji inspected the institute and visited all the laboratories, workshop. He inspected office records also. After completing the inspection, he gave directions for improvement of laboratories and workshop. He gave strict directions that practicals should invariably be performed in all laboratories and workshop.

The directions given by director sir are being implemented in right earnest.

He also interacted with all the students also and gave directions to the staff for improvement in placement of students.

This was followed by the inspection of under construction buildings under SSA project, and strictly directed peyjal nigram officials for speedy construction of the buildings.

## INDUSTRIAL VISIT AT POWER HOUSE DHARASU

Institute organised industrial visit at Power House Dharasu, All students of Civil Engineering with staff visited on 4th May 2023. The Dharasu Power Station is a run-of-the-river hydroelectric power station on the Bhagirathi River located at Dharasu in Uttarkashi district, Uttarakhand, India. The power station was commissioned in 2008 and has a 304 MW capacity.

## STUDENTS VISIT LOCAL ENTREPRENEUR

Institute Innovation Council (IIC) under Ministry of Education, Govt. of India has been established in the institute for inculcating entrepreneurial attributes in the students, so that they should become job providers rather than job seekers.

In continuation of the same, following activities have been completed.

- 1- 1st meeting of IIC council meeting held with a quarterly action plan prepared and approved.
- 2- In line with the action plan, students were inspired to visit local entrepreneurs, so that they understand the intricacies as to how the business is established.

## ROJGAAR MELA 08TH MAY 2023 AT G. P. DEHRADUN

To provide impetus to placement of students, directorate organized Rozgar Mela at GP Dehradun on 8th May 2023 in which all Garhwal zone polytechnic students participated. 3 students of the institute got selected,

## SEMINAR ON GATEWAY TO INNOVATION on 8th May 2023

Mr. Amit Kumar a US citizen organized the seminar from St. Jose, California.

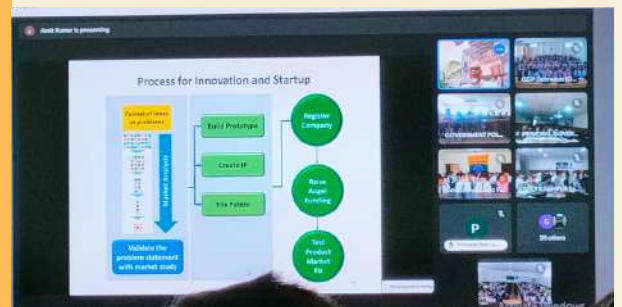

He is a business-technology professional with multi-industry and multi-domain experiences in high responsibility roles at fortune 100, public sector, government, and start-up companies in the high-tech sector of USA and India. He is passionate about incubating state-of-the-art technology innovations and bringing them to market. He is also committed to expanding the frontiers of knowledge, enriching higher education institutions, supporting the development of a skilled workforce, and sharing his knowledge and experiences with students, faculties, and educational management professionals.

The seminar was broadcast in all 71 Govt. polytechnics.

All the students and staff of the institute participated and benefitted a lot from the enthusiastic lecture and interactive session.

Mr. Amit Kumar

## EVEN SEMESTER PRACTICAL EXAMINATION 2023

## SSA PROJECT BUILDING INSPECTION

Construction of building phase -2 has commenced. Principal sir and staff inspected the ongoing construction works and directed the agency engineers to expedite the construction works.

### ऐ भारतवासी,

कीमत आजादी की समझो ऐ भारतवासी,  
इससे बढ़कर नहीं काबा काशी,  
युं ही नहीं गुलामी की जंजीरें छूटी थी,  
वास्तु इसके कई दुल्हनो की चुड़ियां टूटी थी,  
चलकर अंगारों पर बीज आजादी का बोया था  
कई माताओं ने अपने जिगर का टुकड़ा खोया था,  
मर मिटने को वतन पर घर उनसे छूटा था  
खातिर देश की बहनों से साथ राखी का टूटा था,  
मौत देख सामने तनिक ना वो विचलित हुए  
लिए सपना आजादी का चिर निद्रा में लीन गए,  
मगर देख हालत वो रोते होंगे  
दिला दी आजादी किसको सोचते होंगे,  
गा जिन गीतों को फांसी पर वो झूल गए  
राम रहीम में हम वो सब भूल गए,  
निज हित ही सर्वोपरि देश प्रेम सब दिखावा है  
क्या लगा जान बाजी हमने इनको यही सिखाया है  
लिए तिरंगा हाथों में नारे खूब लगाते हो  
फिर फेंक तिरंगा सड़को में दिल हमारा दुखाते हो,  
लड़ते रहे आपस में तो कभी उभर नहीं पाओगे  
कुछ फिरंगी आएंगे गुलाम तुम फिर बन जाओगे,  
कीमत आजादी की समझो ऐ भारतवासी  
इससे बढ़कर नहीं काबा काशी

### मातृभाषा

उर्दू की तहजीब  
हिंदी में संस्कार कहलाते हैं  
हिंदी ही है  
जहां बिंदी भी  
बेस कीमती हो जाती है  
कभी श्रृंगार पर लिखकर  
कभी प्रेम रस में डूब कर  
कभी विरह पर लिख जाती है  
हिंदी ही है  
जो हर रस का आभास करवाती है  
हिंदी ही है  
जो वीर रस में भी खुल जाती है  
रिश्तो की उलझन उलझन का एक पल में सुलस्ती है  
हिंदी ही है  
जो रिश्तो के मायने बताती है  
इंग्लिश फ्रेंच चीनी जैसी भाषाओं को अपनी तजुबें  
मात दे आती है  
हिंदी ही है  
जो हमें भारतीय होने का मन दिलाता है

### हमे कभी उम्मीद नहीं छोडनी चाहिये.....

एक बार एक व्यक्ति, एक हाथी को रस्सी से बांध कर ले जा रहा था | एक दूसरा व्यक्ति इसे देख रहा था | उसे बड़ा आश्चर्य हुआ की इतना बड़ा जानवर इस हल्की सी रस्सी से बंधा जा रहा है दूसरे व्यक्ति ने हाथी के मालिक से पूछा " यह कैसे संभव है की इतना बड़ा जानवर एक हल्की सी रस्सी को नहीं तोड़ पा रहा और तुम्हारे पीछे पीछे चल रहा है | हाथी के मालिक ने बताया जब ये हाथी छोटे होते हैं तो इन्हें रस्सी से बांध दिया जाता है उस समय यह कोशिश करते है रस्सी तोड़ने की पर उसे तोड़ नहीं पाते | बार बार कोशिश करने पर भी यह उस रस्सी को नहीं तोड़ पाते तो हाथी सोच लेते है की वह इस रस्सी को नहीं तोड़ सकते और बढे होने पर कोशिश करना ही छोड़ देते है .

**Moral of The Story** – दोस्तों हम भी ऐसी बहुत सी नकारात्मक बातें अपने दिमाग में बैठा लेते हैं की हम नहीं कर सकते | हमे कभी उम्मीद नहीं छोडनी चाहिये |

भूपेंद्र सिंह बिष्ट

जिंदगी में कुछ अरमान ओस की तरह होते हैं, जिन्हें छूने की चाहत में हथेलियाँ तो भीग जाती हैं मगर हाथ हमेशा खाली रह जाते हैं , इसलिए हथेली खाली होने पर अफसोस न करे अपना स्वभाव सूर्य की तरह रखे न उगने का घमंड और न ही अस्त होने का डर अर्थाथ:— जीवन में सब कुछ मिल जाने पर भी अपना अस्तित्व धरती से जोड़े रखे और कुछ न मिलने पर भी प्रयास करते रहे तभी सफलता आपके कदम चूमेगी ।

ज्योत्सना पंवार

## STAFF CORNER

**AVNISH JAIN SIR**  
**PRINCIPAL**

The staff and students shall miss Jain sir, who played a key role in shaping the institute as a leading institute of the region. He initiated number of co-curricular and extra-curricular activities and was instrumental in making the campus vibrant.
