NEWS IN FRAMES

"PRINCIPAL'S MESSAGE"

It gives me immense pleasure that Institute has been able to timely publish 3rd issue of the Quarterly newsletter 'AVIRAL'.

When we embarked on the journey of publishing the newsletter Quarterly, I was not sure that with the small team of faculty, staff, and students we will be able to achieve this.

But I am deeply satisfied that we have been able to keep the promise of timely and continuous (as per our name of newsletter AVIRAL) publication.

In this Quarter (January to March) though large number of activities could not be held due to end semester examinations and winter vacations, but never the less our dedicated faculty and staff have been able to push our students in participating in slew of activities.

We feel pride that the Institute is slowly expanding, Directorate of Technical Education has sanctioned construction of Building Phase-2, which has culminated in the institute submitting its application for commencement of 2nd branch- Computer Science & Engineering with an intake of 30 students from the next academic session commencing in July 2023.

The total project cost is Rs.14 crores and the construction is likely to be completed by February 2024. This addition of new branch will help the youths of the district in getting quality technical education at their doorsteps leading to opening of new avenues of livelihoods for them and making them "ATMANIRBHAR". (VISION of the Institute)

Another feather in the cap of the Institute was when ANCHAL PAWAR, a student of 2nd semester won Gold Medal in Shotput event at State level Inter Polytechnic sport events held at Dehradun.

Few initiatives such as every Saturday has been earmarked for Co and Extra Curricular activities and mentoring of students by faculty have been initiated.

Further, faculty has also been motivated to update their subject skill sets by participating in online Faculty Development Programs

We feel pride in informing that all the faculty had enrolled and participated in right earnest in one online training program. We shall continue this tradition on continuous basis. This shall lead to improvement in teaching learning process.

It is the endeavor of the institute to continuously innovate itself by introducing new activities, so that the small campus is vibrant and lively all the time.

Last but not the least, the editorial team has put tremendous efforts in preparing the contents of the 3rd issue and timely publication of the newsletter for which I personally congratulate the entire team.

**Best Wishes,
Avnish Jain
Principal**

From the Editorial Desk

It gives me great pleasure to introduce the third issue of our quarterly e-newsletter "AVIRAL". This is our effort to catch the beautiful memories of our students. The pictures reveal the potential and hidden talent of students as well as teachers.

I appreciate and thank everyone associated with "AVIRAL" for rendering their endearing love and support and hope this association continues for along time. I Express my gratitude to our Principal Mr. Avnish Jain for his enduring faith in me. His unconditional support and guidance has always acted as a catalyst to bring out the best in me as an individual. I hope this venture of ours will find a special place in the heart of the readers. Wishing everyone great success and synergetic life.

Thank you....
GIRISH KANSWAL

GOLD MEDAL WINNER

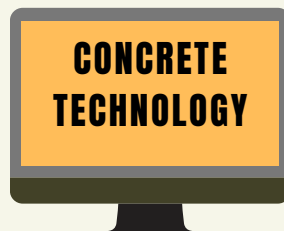

SSA PROJECT SCHEME FOR SPECIAL ASSISTANCE TO STATES FOR CAPITAL EXPENDITURE

Construction of building Phase-2 has commenced. 3100 SQ.M. built up area is being constructed with Class Rooms, Tutorial Rooms, Conference Hall, Laboratories etc. Shall initiate the process of commencing the 2nd Branch- Computer Science and Engineering with Intake of 30 students from Academic Year 2023-24.

Institute has applied to AICTE for COMMENCEMENT of the course from ensuing Academic Year.

ONLINE COURSE ON CONCRETE TECHNOLOGY

Students are regularly encouraged to enroll in Online Courses.

4th semester, 20 students enrolled in the course conducted on SWAYAM portal.

The lone faculty of Civil Engineering Ms. SAVITRI RANA has also enrolled herself voluntarily in the same course for enriching her Knowledge.

STUDENT MENTORSHIP

A New Initiative has been introduced. Every SATURDAY has been kept free from Curricular Activities.

Students shall participate in Co-Curricular, Extra-Curricular Activities and shall also be MENTORED by the Faculty.

It is introduced on Pilot basis.

If the students fail to turn up, then we shall revert back to 6 Days a Week of Teaching.

DRUG DE-ADDICTION AND WOMEN SAFETY AWARENESS PROGRAM 24th MARCH, 2023

Imparted by SHO Dharasu Police Station.

All staff and 50 students participated in the program.

SHO and his team provided valuable information on Drug-de addiction and women safety awareness including the use of

"GAURA SHAKTI APP"

It is a free APP Developed by Uttarakhand Police.

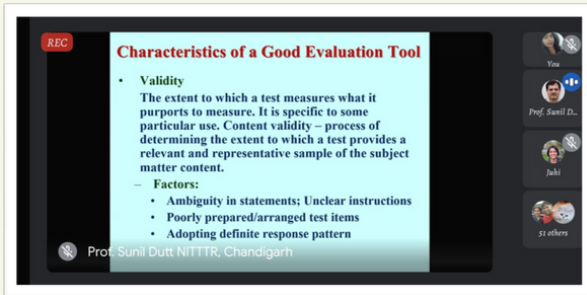

As soon as the women raises SOS alert from "Gaura Shakti", the location information and audio is transmitted to Uttarakhand police control room, which then immediately sends the message to nearest Police help to the victim.

All girls student and women staff downloaded the app on their mobiles.

FACULTY FDP PROGRAM

Another Initiative taken is that Faculty is encouraged to enroll in Online FDP's, which shall improve their teaching skills leading to better delivery of Teaching.

1-Girish Kanswal (Lecturer English),
2-Savitri Rana (Lecturer Civil Engineering),
3- Geeta Panwar (Workshop Instructor)
Participated in 5 days Online Training Program from '27th February 2023 to 3rd March 2023' conducted by NITTTR, Chandigarh.

Course Title: **"BLENDED LEARNING AND FLIPPED CLASSROOM"**

4-Ajay Prakash (Workshop Instructor)
Participated in another 5 days Online Training Program from '20th March to 24th March' conducted by NITTTR, Chandigarh. Course Title: **"SOFT SKILLS AND CLASSROOM TEACHING"**.

ESTABLISHMENT OF INSTITUTION INNOVATION COUNCIL

Major programs being implemented by MHRD's(nowMoE) Innovation Cell and AICTE are

- 1- Smart India Hackathon
- 2- National Student Start-up Policy
- 3- Atal Ranking of Institutions on Innovation Achievement (ARIIA) and
- 4- Setting up Institutions Innovation Councils (IICs) in HEIs.

About Institution's Innovation Council (IIC):

Institutions Innovation Council (IIC) at institute is a unique model based on Hub-Spoke and coherence approach to align with the innovation and entrepreneurship promotion and support programs are being organized by various departments and ensures round the year activities in campus for effective engagement, learning and practicing innovation and entrepreneurship among student and faculty community.

Ideally, Institution Innovation Council is a faculty led but student centric body formed by the institute with active representation of entrepreneurial faculties, students and expert's representations from regional ecosystem enablers, preincubation and incubation centres within and outside the institute and work in synergy manner towards to provide platform to encourage, inspire and nurture young students by exposing them to new ideas and process of resulting in innovative activities & entrepreneurial in their formative years.

With the above objectives in mind, and also keeping in line with the Institute vision (TO NURTURE LEARNERS TO BECOME EMPOWERED CITIZENS OF TOMORROW WITH RELEVANT SKILLS TO PRODUCTIVELY CONTRIBUTE TO THE SPIRIT OF 'ATMANIRBHAR BHARAT') we have established Institution Innovation Council (IIC) and shall strive to mould young minds towards entrepreneurship as enumerated above by conducting slew of activities on regular basis.

"जीवन में अच्छे और बुरे लोगों की परख "

भूपेंद्र सिंह बिष्ट
चतुर्थ सेमेस्टर

अक्सर हम कई बार ऐसे लोगों के बीच आ जाते हैं जहाँ हम अच्छे और बुरे लोगों में फर्क नहीं समझ पाते हैं... यह जीवन की सबसे बड़ी विडम्बना है। ऐसे में कुछ बुरे लोग हमें भी अपने जैसा बनाने की कोशिश में रहते हैं और ऐसा करके उन्हें काफ़ी आनंद भी मिलता है। ऐसे लोग ना तो खुद आगे बढ़ते हैं और ना किसी को आगे बढ़ने देते हैं। अब अच्छे लोगों की क्या खासीयत होती है वो जान लेते हैं।

अच्छे लोग आपको आगे बढ़ने की सलाह देने के साथ साथ आपकी प्रेरणा के स्रोत भी बनते हैं। कई लोग अपने जीवन स्तर में काफ़ी सुधार कर चुके होते हैं क्योंकि उनके साथ कुछ गतिविधियाँ थी जो उन्हें कुछ अच्छे लोगों से सीखने को मिली अपने साधनों का सही उपयोग कहाँ और कैसे करना है ये वो भलीभांति समझ सकते हैं। अक्सर कई लोग उन लोगों के बीच बैठना पसंद करते हैं जो सिर्फ उनकी झूठी तारीफ करते हैं। लेकिन आप बस एक बार उनसे अपने लिए मदद की उम्मीद करके देखिएगा। आप खुद समझ जायेंगे की वो हमारे हितेषी है या नहीं। नीम कड़वा जरूर होता है पर ज्यादातर बिमारियों में नीम हकीम है। कुछ लोग नीम की तरह होते हैं। लेकिन वो ही आपके सच्चे हितेषी भी होते हैं। ऐसे लोगों से हमेशा आपको फायदा ही मिलता है। क्योंकि उनको जब आपकी बुराई करनी होती है तो वो आपके पीठ पीछे नहीं बोलेंगे। बल्कि वो आपके सामने ही आपकी बुराई कर देंगे। उनकी बातें बिलकुल खरी होती हैं। ये मानव की प्रकृति है की वो नकारात्मकता की ओर जल्दी ही आकर्षित हो जाता है। जिसका प्रभाव उन्हें तब दिखाई पड़ता है जब कोई उनकी आशाओं को रोंधकर उनसे आगे निकल जाता है। कई बार तो इतनी देर हो चुकी होती है की मुकाम हाथ से पूरी तरह निकल जाता है। जो लोग मीठा बोलते हैं आपको उनसे सतर्क रहने की जरूरत है। हो सकता है की वो आपके हितेषी ना हो। मैं ये नहीं कहता की सभी लोग एक जैसे ही होते हैं। कुछ लोग आपकी परवाह करने वाले भी होंगे। इसी उम्मीद के साथ की आपको मेरे इस प्रेरणादायक लेख से कुछ सीखने को मिला।

"सफलता और जिम्मेदारियाँ"

हर सफलता अपने साथ कुछ जिम्मेदारियाँ, कुछ सुविधाएं साथ लाती है। अक्सर सफलता का आकर्षण, उसकी चमक धमक इतनी तेज होती है कि उसके पीछे की मेहनत और प्रक्रिया को ज्यादातर लोग समझ ही नहीं पाते। जबकि सफलता का स्वाद बिना प्रक्रिया से गुजरे मिल ही नहीं सकता। कहावत है कि सोने की चमक चाहिए तो पहले जलना पड़ता ही है।

सावित्री राणा
व्याख्याता सिविल

" अश्रु "

ज्योत्सना पंवार
षष्ठम सेमेस्टर

॥ मुस्कुराहट कठिन वक्त की श्रेष्ठ प्रतिक्रिया है, और खामोशी गलत प्रश्न का सबसे बेहतरीन जवाब ॥

बीत गए ये दिन अब लौट के न आयेंगे।
यादें बन जहन में रह जायेंगे।
आंखे भर आयेंगी याद जब आयेगी तेरी।
कुछ अश्रु खुशी के पल्लो को याद कर मुख को स्पर्श कर जायेंगे,
कुछ तेरे साथ न होने की कमी को महसूस करा, दुख में टपक जायेंगे।

अभिषेक सिंह गुलेरिया
षष्ठम सेमेस्टर

प्रार्थना ऐसे करो जैसे सब कुछ भगवान पर निर्भर करता है और प्रयास ऐसे करो जैसे सब कुछ आप पर निर्भर करता है... किरण चाहे सूर्य की हो या फिर आशा की जीवन के सभी अंधकार मिटा देती है.....

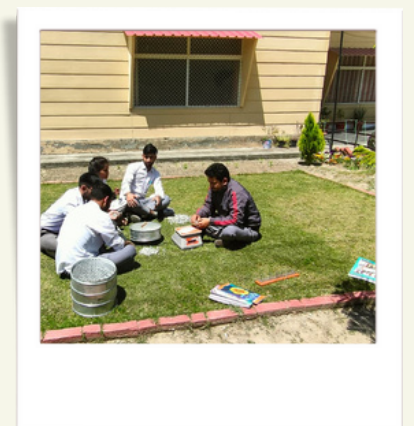

" नेक इरादे "

खुद की काबिलियत पर भरोसा रख जो गलती आज की है उससे सीख मत मांग किसी के आगे अपनी सफलता की भीख।
तू जलती हुई रेगिस्तान है तेरे अंदर कछु करने की ठान है तू रुक मत तुझे करना है कुछ महान काम अभी।
तू अपने घर वालों की आस है उनकी उम्मीदों की सांस है। इनको यू ही नहीं जाया करना है। तू बेटी है इस देश की। तुझे अपनी सफलता के लिए लड़ना है। मेहनत कर मंजिल भी मिलेगी। मुकाम भी मिलेगा। इज्जत भी मिलेगी सम्मान भी मिलेगा। साधनों की कमी के कारण कभी मत होना उदास। अगर इरादे नेक हो तो बरकत जरूर होगी। और सफलता भी मिलेगी

सिद्धिका पंवार
